

Prorestore Electro-Gen Fogger **Part # 102257000**

The Prorestore Elctro-Gen tackles odours fast and efficiently with the industry's most durable electric thermal fogger. A versatile odour control applications tool, the Prorestore Electro-Gen produces a true "dry Fog" with a particle size similar to that found in smoke allowing for deep, through penetration and virtually eliminating the drips and streaks associated with conventional misters and foggers.
