

Unsmoke Degrease All E Part# 161242EEE

Degrease-All E contains water soluble solvents, corrosion inhibition agents, soil suspension agents, grease cutting surfactants and alkaline builders. The product loosens, emulsifies and suspends particulate and greasy soils. The alkaline builders in Degrease-All E neutralize acidic residues. Degrease-All E is fully water soluble so it can be rinsed off surfaces and leaves no residue.

PRODUCT FEATURES

- Formulated for restorative and maintenance cleaning
- Designed for use on electronic devices
- Variable dilutions

PRODUCT SPECIFICATIONS

Size	3.78 L
Appearance	Clear Pink Liquid
Odour	Ammonia
Specific Gravity	1.034
PH	11.55
