

TECHNICAL DATA SHEET

Lift Off Cleaner/Degreaser – NPE FREE

Prod # 2530

Description: LIFT OFF is a specially formulated industrial chemical-type cleaner that attacks the molecular structure of soil, thereby destroying its adhesive qualities, and emulsifies the soil which is then wiped or rinsed away.

Advantages: LIFT OFF is economical – up to 1 to 80 dilutions. Powerful – quickly dissolves grease, grime, oil deposits, dirt, soot, carbon, floor wax and finishers. Versatile – cleans all washable surfaces when used as directed. Low foam. Free rinsing. For use with spray bottle, bucket or automatic floor machine. Phosphate free. Biodegradable, non-flammable.

Directions:

Cleaner	–	Water
1 – 2		Shower stalls and swimming pools
1 – 4		Concrete, oxychloride and magnesite floors.
1 – 8		All aluminum surfaces such as airplanes, boats, window and doors. All ferrous and non-ferrous metals, heavy grease and oil deposits. All terrazzo and marble floors.
1 – 10		Removal of wax and synthetic resin emulsions.
1 – 16		Removal of light grease and oil deposits such as on stoves and ventilating hoods in kitchens.
1 – 20		Cleaning Industrial equipment, trucks, tractors, trailers, machinery and greasy walls.
1 – 40		Ducts, grills, refrigeration and air conditioning units.
1 – 60		Office files, lockers, cabinets and vinyl car upholstery.
1 – 80		Painted walls, glass fixtures, windows and ceramic surfaces.

Mix LIFT OFF cleaner degreaser with hot or cold, hard or soft water, at the above recommended dilutions.

Shipping: Available in 4x4L, 20L, 210L
