

3M Classic Foam Ear Plug w/ Cord Part # 311-1101

Still one of the most widely used foam earplugs today, the 3M™ E-A-R™ Classic™ earplug is an economical, reliable choice in hearing protection and hearing conservation. Slow recovery, low-pressure foam conforms to the shape of the ear canal to help create a comfortable, snug noise barrier.

Classic™ Plus earplugs are slightly longer than regular E-A-R™ Classic™ earplugs to fit deeper into the ear canal and provide higher noise reduction.

The NRR may overestimate the hearing protection provided during typical use. 3M recommends reducing the NRR by 50% for estimating the amount of noise reduction provided. 3M is Leading the Advancement of Hearing Conservation™.

PRODUCT SPECIFICATIONS

Color	Yellow
Cord Type	Vinyl
Hearing Protection Style	Roll Down Foam
Noise Reduction Rating	33 Decibel
Shape	Cylinder
