

Fosters 40-80 HVAC & Wall Disinfectant

Foster ® 40-80™ Disinfectant is a convenient, ready-to-use formulation that is effective against a broad spectrum of bacteria used to disinfect washable, non-porous, hard surfaces found in homes, schools, restaurants, hospitals and other institutional and industrial facilities, such as food processing plants.

Foster 40-80 Disinfectant effectively kills bacteria, viruses (including HIV) and fungi and controls the growth of mold and mildew and their odors.
