

3M Organic Vapour Cartridge

Part # 6001

NIOSH approved against certain organic vapors. Use with 3M™ Half and Full Facepieces 6000, 7000 and FF-400 Series with bayonet filter holders.

Use in a variety of workplace applications, including petrochemical, chemical manufacturing, construction, transportation and electronics. When properly fitted, helps provide respiratory protection from certain organic vapors at concentrations up to 10 times the Permissible Exposure Limit (PEL) with half facepieces or 50 times PEL with full facepieces. Full facepieces must be quantitatively fit tested to claim assigned protection factor above 10 in negative pressure mode. Not for use in environments that are immediately dangerous to life or health (IDLH).

PRODUCT SPECIFICATIONS

Size	3.4 " H X 4.2" L
Cartridge or Filter Type	Filter
Gas & Vapour Protection	Organic Vapour
Recommended Application	Assembly, Cleaning, Demolition, Facility Maintenance, Machine
