

Fiberlock's Kontrol Kube 10' Enclosure Part# 6547

The Kontrol Kube 10' Enclosure eliminates the need for most disposable barrier materials and dramatically reduces labor cost for building containment. The Kontrol Kube can be set up in just minutes and then moved quickly and easily from site to site without removing tools, ladder and equipment.

PRODUCT FEATURES

- Increase Worker productivity
- Reduce Labor Costs
- Eliminate Expensive Barrier Materials
- Improve Patient Outcomes
