

FIBERLOCK – HYDRO BOOST Advance Peroxide Additive Part # 8313

Fiberlock HydroBoost is specifically designed to magnify the cleaning and stain removing power of Advanced Peroxide Cleaner (APC). Ideal for situations that demand extreme cleaning and powerful stain removal, Fiberlock HydroBoost works by instantly increasing the oxidation potential of Fiberlock's Advanced Peroxide Cleaner.

When added to Advanced Peroxide Cleaner, HydroBoost will provide:

- Extra Cleaning Power
- Extra lifting Power
- Extra Stain removing power
- Extra labor savings
