

3M N95 Particulate Respirator

Part # 8511

This disposable N95 particulate respirator features the proprietary 3M™ Cool Flow™ Valve and helps provide comfortable, reliable worker respiratory protection. It is ideally suited for hot/dusty work settings that require long periods of wear.

The lightweight, disposable N95 particulate respirator is designed to help provide quality, reliable worker respiratory protection. 3M uses a variety of innovative features to help you meet your respiratory protection and comfort needs. The respirator incorporates 3M's proprietary technology with advanced electrostatically charged microfiber filter media. It's adjustable noseclip and cushioning nose foam help provide a custom fit with secure seal and reduces potential for eyewear fogging.

Product Features

- 3M™ CoolFlow™ Valve
- Adjustable M nose clip
- Braided head bands and soft inner materials
- Spacious and durable
- Designed to increase comfort and wearability
