

## X-Guard Collapsible Decon Shower Item #9105

Collapsible telescoping decontamination shower. To prevent leakage, the side flaps are made from durable, high-quality vinyl. The unit comes with hot and cold water hook-up. The removable floor drain makes access to the 100 micron drain bag safe and easy. The fold-down carrying case handles, along with the collapsing feature, allow for mobility and easy of transport.

This Collapsible telescoping decontamination shower is easily set up by two people in a matter of seconds.

### PRODUCT FEATURES

- Lightweight aluminum construction
- 100 Micron drain filter
