

Landscaper's Choice[®]

ice melter
with CMA

Landscaper's Choice[®]

ice melter with CMA

Anti-Corrosion Formula

Specially formulated with CMA (Calcium Magnesium Acetate), an efficient corrosion inhibitor, makes Landscaper's Choice[®] one of the least corrosive ice melters on the market.

Fast Acting

Landscaper's Choice[®] combines the most effective de-icing ingredients creating the desired reaction to initiate the de-icing and meltdown. Landscaper's Choice[®] when pre-applied prevents ice and snow from bonding to the surface area. As Landscaper's Choice[®] goes to work, its time-released formula stays on the surface area longer, helping to reduce the freeze/thaw cycle.

Non-Tracking Formula

Landscaper's Choice[®] won't leave an oily residue, which can be damaging to carpets, floors, leather or various types of footwear.

Reliable Ice Melter

Landscaper's Choice[®] goes after the ice and snow; clearing the way to safety. This specially formulated product contains "Dolomite" for added traction control, further enhancing performance.

Easily Dispersed & Extended Shelf Life

Landscaper's Choice[®] is specially formulated with an anti-caking agent to allow free-flowing dispersion.

Visually Measured

Not only will you see the quick action of Landscaper's Choice[®], specially coated with a green color indicator, going to work on the ice and snow, this product will allow precise spreading to ensure cost-effective dispersion.

HELPS ENHANCE SOIL

Formulated to provide soil supporting compounds.

LESS DAMAGE TO INTERLOCK

Reduced damage to wood and interlock makes this one of the safest ice melters.

LESS HARMFUL TO VEGETATION AND PLANT LIFE

Landscaper's Choice[®] is less harmful to grass, concrete or shrubs compared to the leading ice melt.*

*When used as directed

REDUCED CORROSION TO METALS

Anti-corrosion agents reduce damage to vehicles, equipment and other metal surfaces.

FAST ACTING AND EFFECTIVE

Initiates de-icing and meltdown faster compared to the leading ice melt brands. Formulated with extenders to last longer.

NON-TRACKING

Will not harm carpets and floors, and will not damage leather or footwear.*

*When used as directed
