Description

Cascades PRO Select® 2-Ply Centerpull Paper Towels provide exceptional quality and optimal absorbency in every sheet, and are suitable for cleanup jobs in small facilities, on production floors, in high-traffic establishments and in kitchens. These high capacity hand towels, made from 100% recycled fibre, provide a significant advantage with their one-at-a-time dispensing, protecting against cross-contamination and germs. Available in white paper, each pack contains 6 rolls, for a total of 500 sheets of hand towels. These centerpull hand towels are specifically designed for convenient use in a universal dispenser, providing an efficient and hygienic solution for hand drying in a variety of settings, including garages and industrial facilities.
