- Strong and fast-absorbing

Description

Opt for environmental responsibility with Cascades PRO Perform® 1-Ply Roll Towels, specially designed for Tandem® electronic and mechanical no-touch dispensers. Made from 100% recycled fibre, including 50% post-consumer material, each absorbent sheet helps reduce your costs while being respectful of the environment. Designed to comply with the strictest standards, these white hand towels made from recycled paper are ideal for educational, retail, industrial and foodservice establishments. Each package contains 6 rolls of 1,050' per roll. Certified by Green Seal®, UL ECOLOGO and Green-E, these towels meet the highest standards of sustainability. For use in Tandem® dispensers, they are a practical solution for restrooms and foodservice areas, while being respectful of the environment. Opt for environmental performance with Cascades PRO Perform® towels, a solution that combines efficiency, cost effectiveness and environmental responsibility. Suitable for industrial and municipal composting facilities, but not for home composting.
