## Description

Discover Cascades PRO Perform® Roll Towels designed specifically for the Tandem® dispenser. Made from 100% recycled fibre, including 50% post-consumer material, these rolls exceed EPA sustainability standards. Offering exceptional performance, consistent strength and remarkable absorbency, they are not only efficient but also cost-effective. Ideal for hygienic hand drying, these towels are perfect for restrooms in educational, retail, industrial and foodservice establishments. The natural brown paper adds an environmental touch, while the roll format allows for convenient, efficient towel changes. This product is compatible with Tandem® dispensers. Certified by Green Seal®, UL ECOLOGO and Green-E, each roll of 1-ply towels is a solution that is respectful of the environment. Opt for sustainability with these Cascades PRO Perform® towels for clean restrooms that reflect a respect for the environment in all sectors, from educational establishments to foodservice areas. Each roll provides a generous length of 1,050', ensuring a long service span and efficient supply management. Suitable for industrial and municipal composting facilities, but not for home composting.
