

Clean
Anywhere
with Duplex

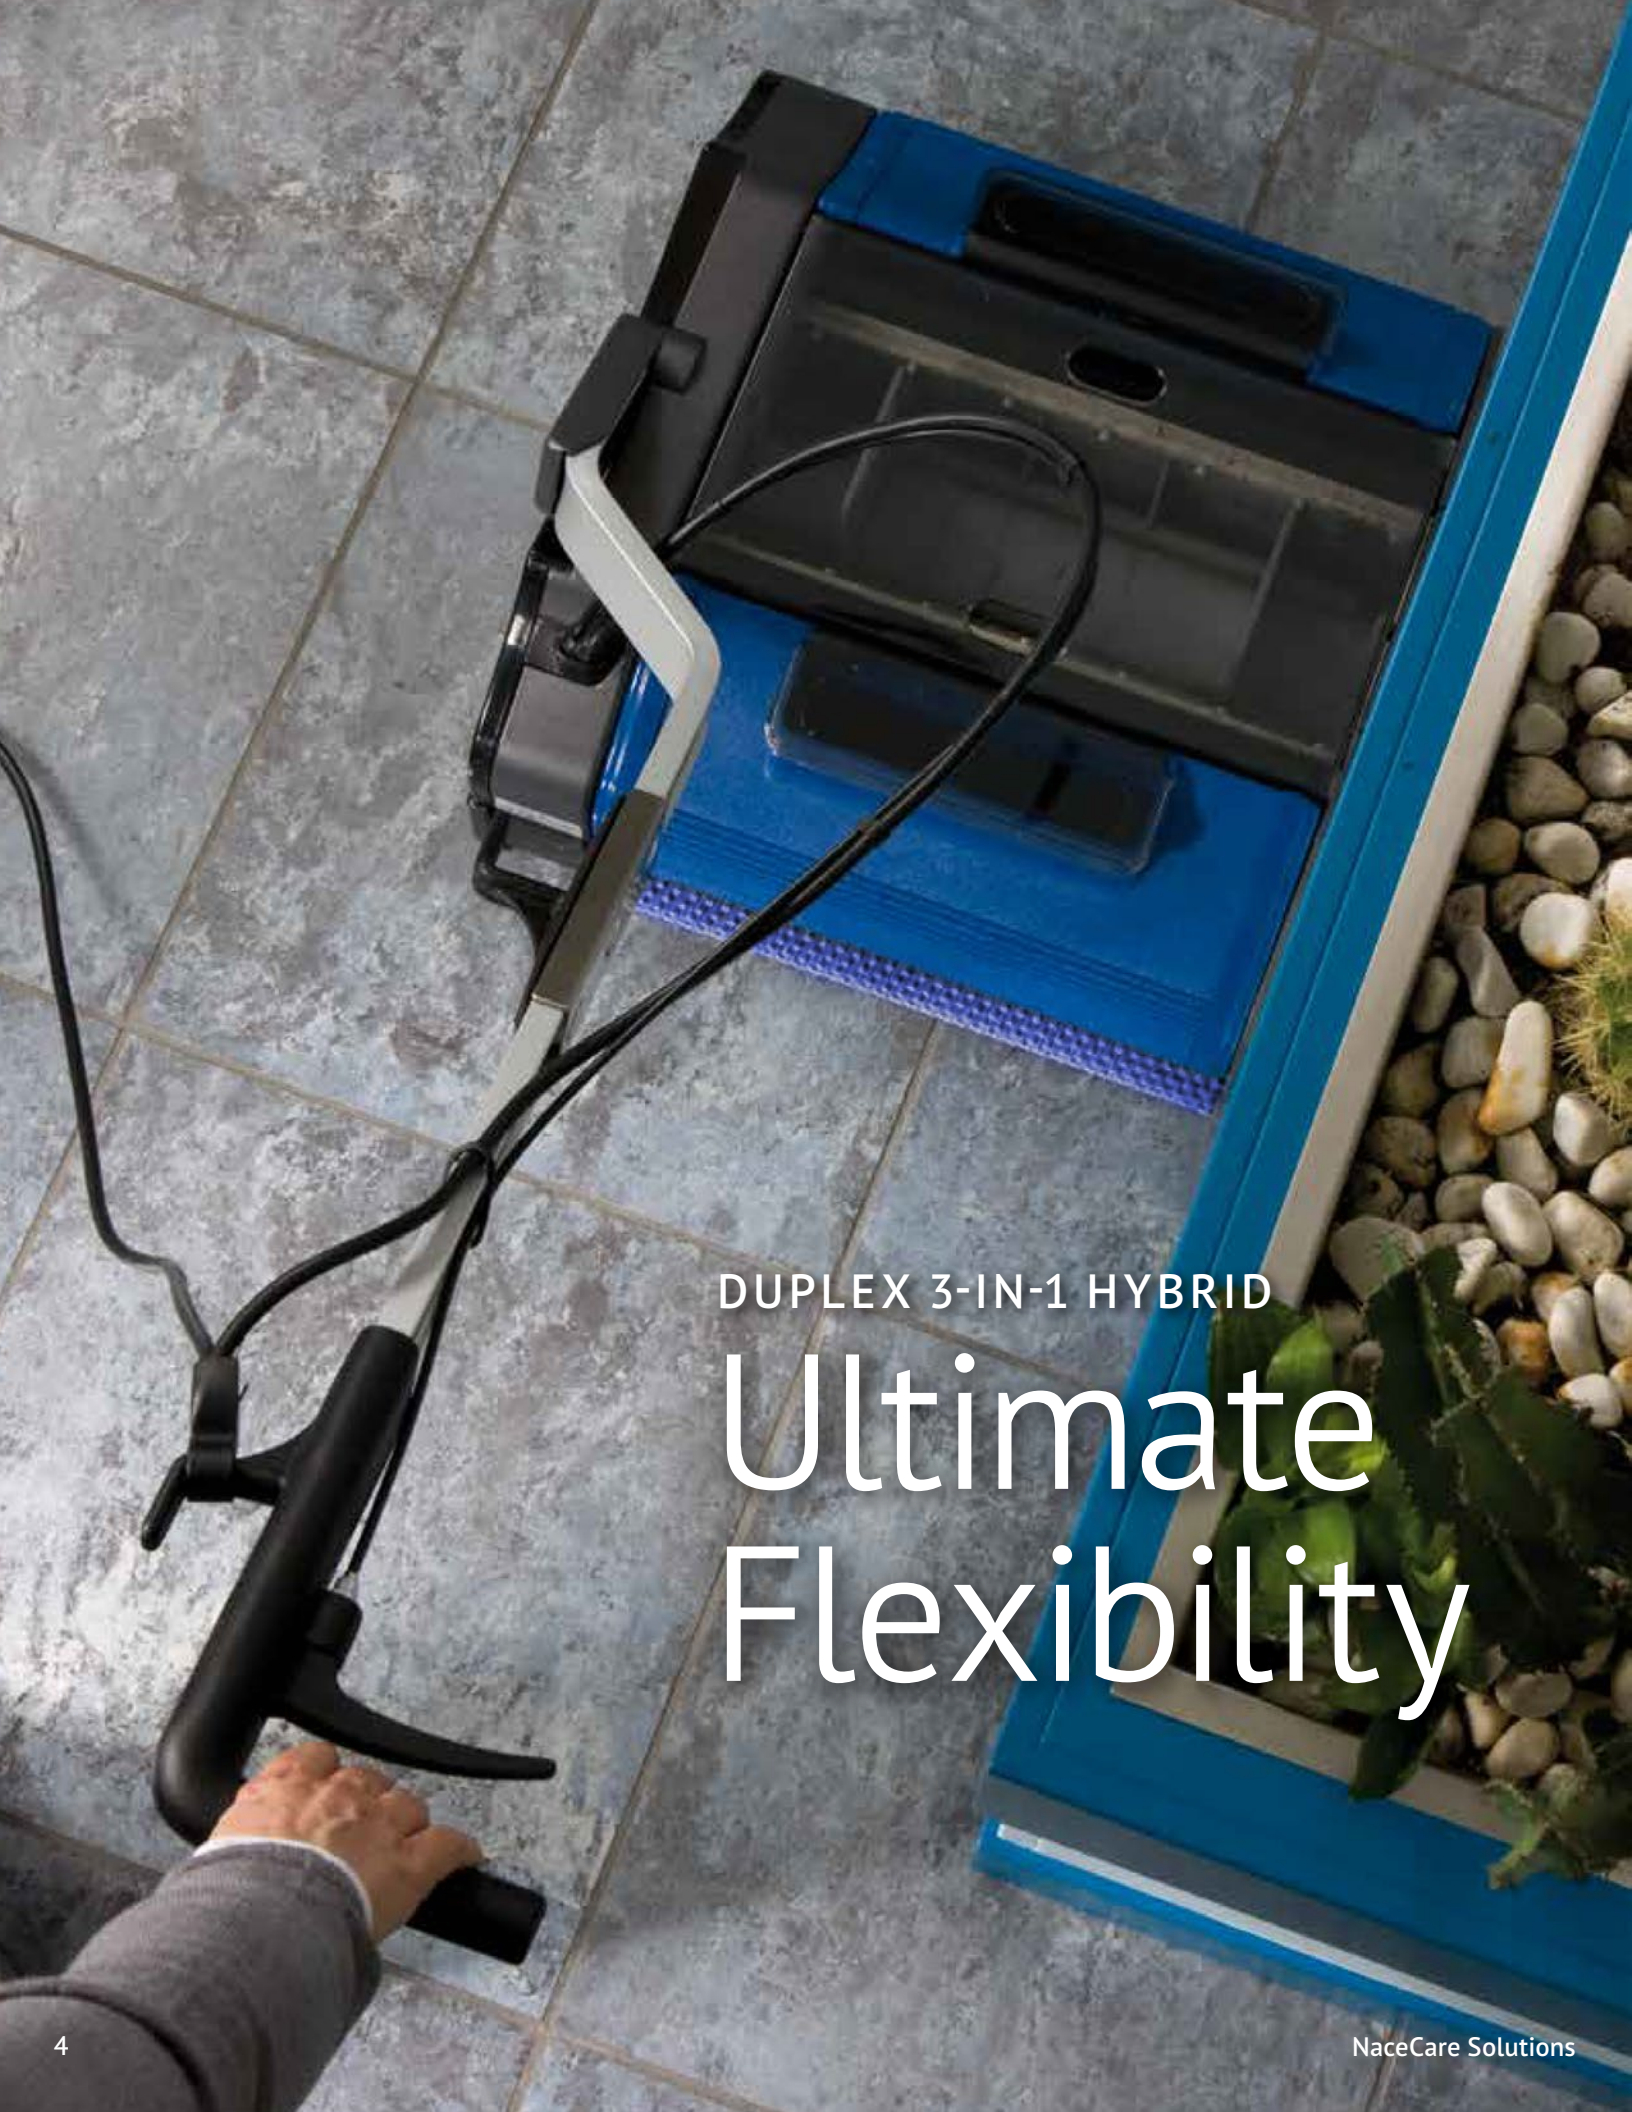

Effortless Cleaning Across All Surfaces

The Duplex can effectively clean a wide range of surfaces. It's not limited to just carpets, hardwood, and textured floors; it can also tackle grouted tile, rubberized safety flooring, concrete, uneven surfaces—even escalators* pose no challenge. Additionally, it's incredibly maneuverable.

The exceptional performance of the Duplex is attributed to its innovative design, featuring 800,000 bristles. It utilizes counter-rotating brushes to lift dirt, water, and grime from the floor surface. As the brushes spin, they transfer debris and dirty water onto rotating conveyor belts. The center recovery tank's trimmers then remove the debris from the belts, ensuring a thorough clean. Additionally, the design allows the machine to clean right up against baseboards or close to other obstacles.

*with add-on escalator kit

DUPLEX 3-IN-1 HYBRID

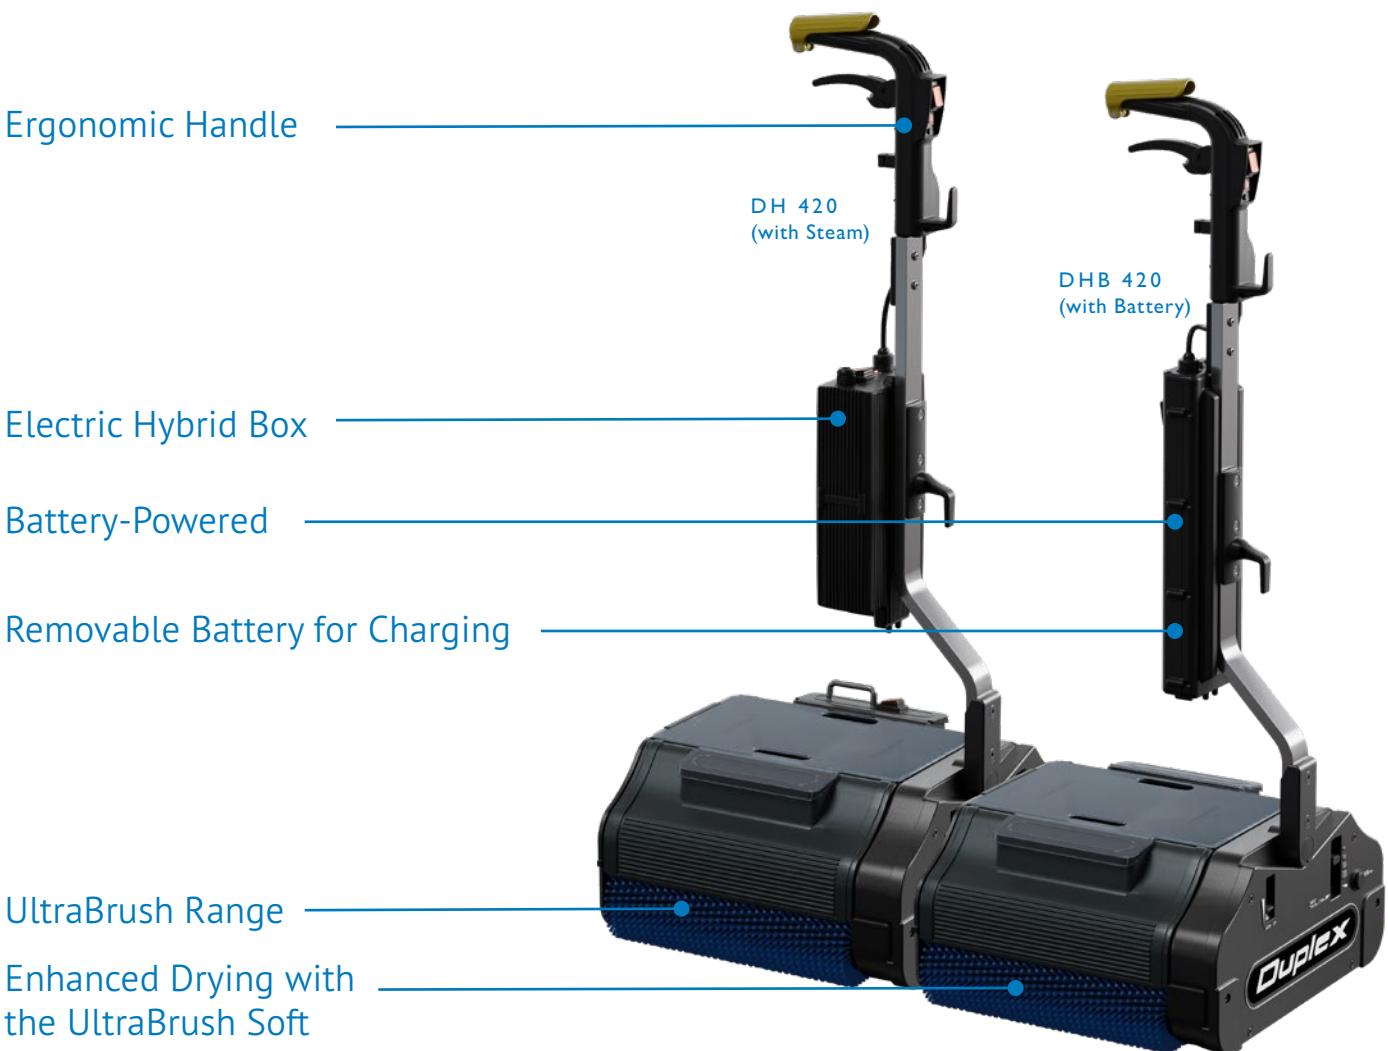

Ultimate Flexibility

COMBINING BATTERY + ELECTRICITY + STEAM CAPABILITIES. USERS CAN CHOOSE BETWEEN A BATTERY OR ELECTRIC OPTION ON THE SAME MACHINE.

The DHB 420 with the Lite Battery provides 50 minutes of runtime and a one-hour charge time, making it versatile for cleaning hard floors, soft floors, and escalators. For an enhanced cleaning experience, consider the DHB 420 Deluxe model. It includes the Hybrid Box (H-Box), allowing for unlimited runtime on 110-volt electricity and the addition of steam cleaning.

For those who prefer a non-battery option, the DH 420 is available. It operates similarly to the DHB 420, with one version offering standard cleaning and the other version featuring steam cleaning capabilities.

Unlike other machines that can overwhelm users, ours offers a welcoming experience. With intuitive controls and effortless operation, it streamlines tasks for users of all skill levels. Discover the gratification of effortless floor cleaning with Duplex.

DUPLIX STANDARD

Clean Any Floor, Anywhere

CLEAN VIRTUALLY ANY FLOOR SURFACE

From wall to wall and into the tightest corners, the Duplex 420 and 620 can be used in restoration or as an integral part of your daily maintenance program for high traffic areas. Clean virtually any floor surface such as carpets, grouted ceramic, textured surfaces, rubberized floors, and even sports turf.
