NEXT STEP

Determine Labor Costs for Job

When using the OmniPro Mold System a 1000 Sq Ft job can easily be done in one day. Above 1500 Sq Ft may be a two day job. The Traditional Approach needs a two day job or at least 16 hours to be budgeted due to need for a dry surface for application of a protective coating. Any job over 1500 sq ft will require 3 days or 24 hours indicated in hours On job for traditional approach.

1000 Sq Ft	1500 Sq Ft
8 hours	16 hours

Number of employees	− 2 +
OmniPro One Day Hours on Job	− 8 +
Traditional Approach Hours on Job	− 16 +
Your Labor Rate	− 50 +

Summary

Total Labor Cost
OmniPro One Day: $800
Traditional Approach: $1,600

Calculate miscellaneous costs for this job. Misc. costs include tools, PPE, supplies, etc. Choose a % and it will be applied against total job costs (product and labor costs)

Enter % of costs
(typically .1 to .2)

− 0.15 +

OmniPro Mold System One Day Job

Total Product costs	$278
Total Labour costs	$800
Misc Costs OmniPro One Day	$162

Traditional 2 Day Approach

Total Product costs	
Total Labour costs	
Misc Costs Traditional Approach	

Set Profit Target

Select the profit target you seek to reach for this job. Compare targeted profit using the OmniPro Mold System and for using traditional approaches.
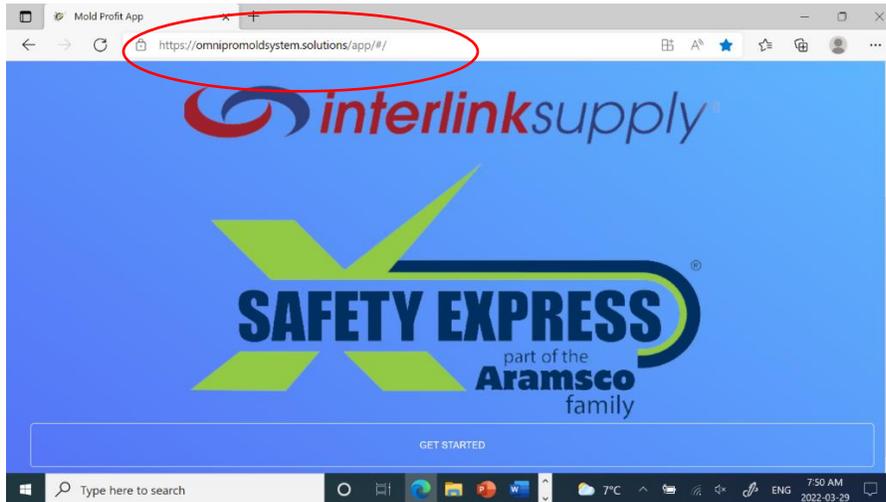

Insert Profit Target %

− 0.50 +

(Typically 25 to 50%)

Steps to download the app to your I Phone cell phone home screen

1. Type this address into your address bar of your browser on your phone;

omnipromoldsystem.solutions

Arrive at our download site

2. Scroll down to "Get the App". Click here

3. Enter your e mail. Click "Get the App" again

4. Two e mails will be sent to you.

> First is an e mail simply confirming we got your info

> Second, and the one you want, contains a link to reach our app. Click the link to access our app

> You will now see the app and it is live via web. You still need to get it onto your phone to use many times and for demonstration

5. Click the first icon on your screen at bottom under the app.

It looks like a box with an up arrow

6. Swipe up from the bottom of your screen to

show the menu where you can add items to your

 home screen

Select add to home screen from icons

Swipe up from bottom of screen to expose menu
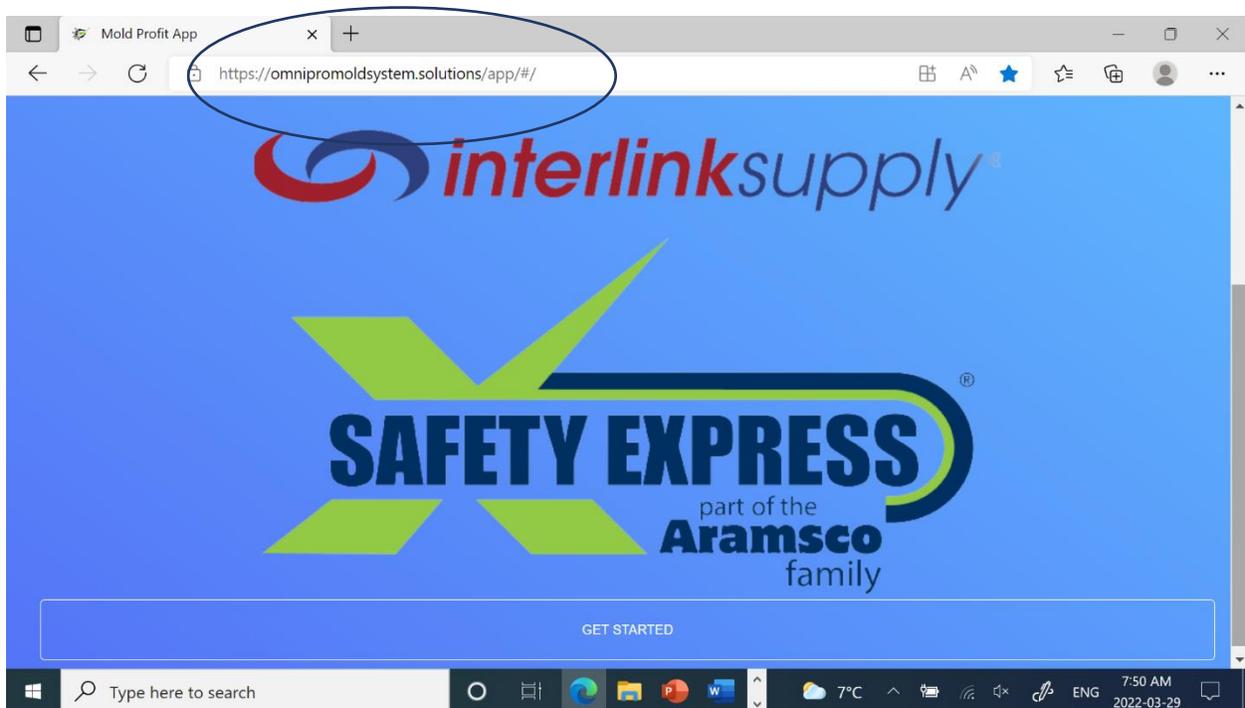

7. Click ADD on top right corner.

8. You are done. You will now find the app on your home page. Look at the last page of all of your apps. You can use and reuse. If you want to save any data just take a screen cap

To add to an Android cell Phone or tablet

1. Copy the link from your email and paste into google, follow the steps below
2. Open the website or web page you want to pin to your home screen.
3. Tap the menu icon (3 dots in upper right-hand corner) and tap Add to homescreen.
4. You'll be able to enter a name for the shortcut and then Chrome will add it to your home screen

To Use the App on a computer:

1.   Type https://omnipromoldsystem.solutions/app into the address bar at top of your browser (not the main search window)

2. Create a book mark so you can easily locate the site in the future
