

ULTRA RELEASE

Acidic Rinse Extraction Concentrate

Ultra Release is a rinse extraction concentrate that effectively dissolves soap and detergent residues left behind by alkaline emulsifiers and presprays. Ultra Release acts as a softener on carpet fibres, and will help prevent browning. It also effectively removes urine salts, residues and odors from contaminated areas.

pH: 1.0

Dilution Ratio: up to 1:492

Available in:

- 3.79 L (1 US Gallon) - Part # 2656-3256
