

# I.P.G.

## INK, PAINT, GREASE

### Free Rinsing Stain Remover

**I.P.G. INK, PAINT, GREASE stain remover** is a non-volatile solvent which removes most inks such as ballpoint pen, stamp pad, duplicating, felt tip and colored art inks. It also removes shoe polish, cosmetics and adhesives.

pH: N/A

Dilution Ration: RTU

Available in:

- 946 ml (1 US Quart) - Part # 2696-4902

**DIRECTIONS:** Test fabric for compatibility. Apply a small amount of I.P.G. to a towel and blot the stain. Repeat this process until the greatest majority of colored pigment is removed from the fabric. Apply I.P.G. directly to the stain and lightly agitate. Where appropriate, add a small amount of water or Super Spotter, agitate and extract with water. Repeat this process until stain is removed. If fabric is not water compatible, use a volatile solvent spotter to flush I.P.G. and the stain from the fabric.

**Keep this product out of reach of children. Read the Safety Data Sheet and Product Label before using. Take the necessary precautions dictated by the label to ensure that your health and that of your customers' is protected.**
