

# RUST REMOVER

## Water Based Rust Spot Remover

### SPOTTER

**Rust Remover** is a ready to use water based phosphoric / oxylic acid solution designed to remove rust stains and other metallic spots from carpet.

- **Contains no hydrofluoric acid**
- **A special blend of phosphoric and oxylic acid, surfactants and penetrating agents**
- **Effectively removes rust and other metallic spots**
- **Available in: 250 ml (8 oz) or 475 ml (16 oz)**

**REMOVE RUST SPOTS WITHOUT THE POTENTIAL RISK OF USING HYDROFLUORIC ACID.**

**pH: 0.6**

**Dilution Ratio: Ready to use**

**DIRECTIONS FOR USE:**

Pretest in an inconspicuous location for color fastness and fibre stability.

**Do not dilute, use full strength.**

Apply Rust Remover directly to the stained area by using a flip cap applicator. Using a bone spatula, agitate the

affected area. Allow 2 minutes dwell time, then flush with hot water extraction.

On stubborn areas, a second application may be required.

**Keep this product out of reach of children. Read the Material Safety Data Sheet and Product Label before using. Take the necessary precautions dictated by the label to ensure that your health and that of your customers' is protected.**
