Cotton, Rental & Other Non-Woven Foodservice Towels	Globe Commercial Products Q-Towel Foodservice Towels
Protect Your Customers & Brand	
May deplete quaternary sanitizer strength substantially, increasing the potential for food-borne illness and cross-contamination	Our towels are manufactured to be compatible with quaternary sanitizers, thereby delivering the full potency of sanitizer to the surface, reducing the likelihood of cross contamination and food-borne illness.
Earn Higher Health Inspection Scores	
May deplete quaternary sanitizer strength substantially in the bucket, increasing the likelihood of health inspection violations.	Our towels do not deplete sanitizer strength, resulting in higher health inspection scores and satisfied customers.
Reduce Chemical & Water Usage	
May deplete quaternary sanitizer strength substantially in the bucket, resulting in increased chemical usage and water consumption.	Our towels do not deplete sanitizer strength, dramatically reducing the frequency of refilling the buckets with sanitizer and water.
