HVE 3000

Portable Flood Pumper and Inline Truckmount Booster

The HVE3000 combines powerful productivity functions to make it one of the most versatile extractors available today. Get portable extraction plus truckmount boosting and prefiltering – all in one unit. Plus, a slim profile and 4-inch wheels mean you can get to places your competitors can't. Expand your extraction capabilities and access high rises and secure areas while saving time and increasing your profits.

Item #F479

Product Features

- Easiest cleanout filter. Just pop the clamps on the clear plastic cover and lift out the basket for rinsing.
- A high flow, high volume clog-resistant sump pump – handles up to ½ in. solids.
- Rugged construction. Rotomolded housing resists dings and scratches. Low center of gravity provides balanced transport; easy on stairs!
- Bypass the truckmount waste tank for black water flood extraction to keep the tank clean.
