

KLEENRITE®

KleenRite® | Edge 500 Extractor

The Edge 500 is the standard for dynamic carpet cleaning. With features such as durable rotationally molded housing, high capacity solution and waste tanks, ergonomic design and easy serviceability, you can expect years of hard work from this machine. Why settle for less, go with the best, the Edge 500!

- ▶ **Large turret dome lid provides easy access to waste tank**
- ▶ **Handle mounted switches for easy operator use**
- ▶ **Bucket height dump valve**
- ▶ **25' permanently attached power cords**
- ▶ **Locking 3.5" casters and 10" non-marking rear wheels**
- ▶ **25' x 1.5" vacuum hose and 25' solution hose**
- ▶ **LP "S" Bend Wand**

The Edge 500 includes a unique hinged clamshell feature for easy serviceability, rotationally molded polyethylene tanks and base, stainless steel reinforced base plate, durable brass fittings and a "Rain gutter" lip between tanks providing spill proof protection when filling the solution tank.
