WHERE TO BUY 46

Technological firm specialized in manufacturing robots and equipment used for inspection and air duct cleaning.

LTE Canada Inc. provides everything you'll need for your air duct cleaning projects. We develop a wide range of high quality and professional products. Our team is dedicated to provide equipment of the highest standard.

The innovation of our products will allow you to benefit of a superior quality at a competitive price. We aim to make your time more effective therefore increasing your profits.

[LTECANADA.COM](https://ltecanada.com)

LTE Canada Inc. | History

LTE Canada Inc. was founded in the city of Granby, Canada in 2017. The two co-founders, Samuel Dupont and Maxime Audet both started their own ventilation duct cleaning company. Having noticed the lack of supply on the market, the two entrepreneurs decided to create LTE Canada Inc. The company's mission is to facilitate access to quality equipment for ventilation duct cleaning companies in addition to setting new standards in the industry and ensuring consistency in the quality of service delivery to the final customers.

- ✓ Dryer Collector

TOOLS-KIT

The ultimate tools kit to start your business or equip your new team! We have carefully selected all the tools your team will need for air duct cleaning to make your life easier.

All neatly organized in Milwaukee Packout stackable cases for efficient storage and transport of everything you'll need.

+ INCLUDES	
PACKOUT-BOX	Packout Modular Tool Box
PACKOUT-BAG	Packout Tote
SCREWDRIVERS	Screwdrivers
UTILKNIFE	Utility Knife
VOLT-TESTER	Voltage Tester
BOX-KIT	Bit Set for Drill & Impact Drivers
INFRA-THERM	Infrared Digital Thermometer
SNIPS-KIT	3-Piece Aviation Snip Set
PLIERS-KIT	3-Piece Pliers Set
HEXKEY-KIT	Hex Key Kit
WRENCH10	Adjustable Wrench 10"
TURBOSHEAR	Metal Cutting Drill Attachment
CHIPCOLLECTOR	Chip Collector (chipmaster)
STEPDRILL1-3/8	Step Drill 1 3/8"
SCREWS	Metal Screws x 1000
MSHC1	Magnetic Hex drivers Reversible - 2"
PP1-3/8	Plastic Plug 1 3/8" x 500
D-BALL	Rigid Duct Ball 3"
F-SV	Forward Blowing Spinning Ball
R-SV	Reverse Blowing Spinning Ball
EDGESEALER	Edge Sealer
DRYER-COLLECTOR	Dryer collector
MICROFIBRE-25	Microfiber cloth
FOIL-TAPE	Aluminium Foil Tape
GRILLMASK13	Grillmask 13" x 200 ft - 13"
GRILLMASK8	Grillmask 8" x 200 ft - 4"

HOSES BRACKETS

SKU : HOSE-M
Hoses support brackets to store your hoses in your trailer.
Made with heavy duty stainless steel for durability.

LADDER BRACKETS

SKU : LADDER-M
Ladder support brackets to store it in your trailer.
Made with heavy duty stainless steel for durability.

METAL SHEET HOLDER

SKU : CABINET
Metal sheet support cabinet to store all your metal sheet in your trailer.
Made with heavy duty stainless steel for durability.

NEXVIEW WALL MOUNTED SUPPORT

SKU : NEXVIEW-M
NexView camera wall support to store the inspection camera in your trailer.
Made with heavy duty stainless steel for durability.

TRAILER ACCESSORIES

AIR COMPRESSORS

GAS AIR COMPRESSOR

SKU : COMP-1330

Our 30-gallon air compressor is specially adapted to the needs of companies in air duct cleaning. It offers the performance needed for this industry and we have ensured its durability. With its 13-HP Honda engine, this compressor is ideal for any job where there is no electricity. For durability, we have also included a timer to ensure timely maintenance. You can connect the electric starter into a 12-volt system or a battery.

Included : Air drain valve, Oil drain valve extension, Regulator, All necessary fittings, Timer.

150 Psi @ 24.5 CFM

13 HP - COMPRESSOR

Limited Warranty | Pump : 2 years, motor : 3 years.

ELECTRIC AIR COMPRESSOR

SKU : COMP-530H

Our 30-gallon electric air compressor is specially adapted to the needs of companies in air duct cleaning. It offers the performance needed for this industry and we have ensured its durability. Excellent compressor for use in towers, industrial, institutional, and commercial. Electric compressors are much quieter than gas compressors.

Included : Air drain valve, Regulator, All necessary fittings.

150 Psi @ 24.5 CFM

220V - COMPRESSOR

Limited Warranty | Pump : 2 years, motor : 1 year.

COMPRESSOR STARTER-KIT

SKU : COMP-KIT

Ready to use compressor kit.
(Regulator, connections and drain valve)

- ✓ Regulator
- ✓ Drain Valve Kit
- ✓ Male Quickconnect (2)
- ✓ Male Nexa Plug
- ✓ Reducer 3/4 to 1/4 NPT
- ✓ 3/4 NPT Cap
- ✓ 90° 1/4 NPT

*Not included : Compressor

REGULATOR SEPARATOR

SKU : REGULATOR

Remove the moisture that comes out of the hoses. Adding a pressure regulator on your compressor will give you a fuel saving and will maximize your air pressure.

Minimum of 20 cfm @ 150 PSI. Max 240 PSI

- ✓ Modular type
- ✓ Suitable for panel mounting
- ✓ Premium grade filter (all details on ltesupplies.com)
- ✓ Good flow and regulating characteristics

DRAIN VALVE

SKU : DRAIN-VALVE

Air drain valve for air compressor with 6' hose and ballvalve. Made with durable materials to fit your needs.

PORTABLE MOUNT

SKU : COMP-M

The only cart that can easily carry most compressors with its adjustable handle. Built to last with high quality stainless steel, high grade aluminum and durable soft wheels. We have integrated rubber feet to eliminate vibrations and ensure the durability of the compressor.

Powerjet 30' with ball valve | SKU : PJ30-RS

Powerjet 50' with ball valve | SKU : PJ50-RS

SPINNING REVERSE NEXA BALL

Powerjet 25' | SKU : PJ25-RSS

Powerjet 30' | SKU : PJ30-RSS

Powerjet 50' | SKU : PJ50-RSS

**Includes Ballvalve for safety*

Powerjets are the perfect tools for efficient cleaning of flexible ducts and dryer ducts. Our Nexa Ball products with their resistant hoses available in different lengths will allow you to face any situation with amazing results!

***Preventive maintenance :** You must spray lubricant on the bearing after each use to increase the life of the rotary nozzle.

X-LINE™

X-Line Tools are the perfect choice for going through most ventilation grills without having to remove them.

X-LINE | WHIP

SKU : V25-1FO

1/4 Nexa ID X 25' lenght with 1 X-Line whip

**Include: Ballvalve*

X-LINE | NOZZLE

1/4 Nexa ID X 25' lenght with 1 X-Line forward nozzle

**Include: Ballvalve*

SKU : V25-6FO

SKU : V25-6RE

BAG FOR RODS

SKU : ROD-BAG

Bag for rod and whips.
Heavy duty material.

**** Rods and whips are not included.*

AIR WHIPS™

The greatest airwhips for finishing work.

❄️ The innovative Superflex™ whips allow the use of this tool even in the coldest temperatures.

- ✓ The most resistant and flexible whips on the market.
- ✓ The greatest airwhips for finishing work.

- ⓕ **Forward** = Push the dust away from the technician
- Ⓡ **Reverse** = Pull dust towards the technician

D-BALL | RIDGID DUCT BALL 3"

SKU : D-BALL

Used to push easily the whips inside the flexible duct or to move the rod left and right inside a large duct. Install between the rods and the whips.

NEXA 5"

SKU : NEXA-5

Tired of fighting with your rod when the duct have many angles?

Nexa 5" flexible extension for rod. Help to turn in duct with 90 degree. You can plug whips or rotary nozzle. (Nexa connection)

FORWARD | AIRWHIPS

- 1 Superflex whip 12" Nexa | SKU : AL-1FO-12

REPLACEMENT | AIRWHIPS

- 1 replacement whip 12" | SKU : F1-12
For AL-1FO-12.
- 3 replacement whips 12" | SKU : F3-12
For AL-3FO-12.
- 8 replacement whips 12" | SKU : F8-12
For (AL-8FO, AL-8RE)
- 8 replacement whips 20" | SKU : F8-20
For (AL-8FO, AL-8RE)

NEXAIR NOZZLES

Nozzles for air duct cleaning. Perfect for flexible ducts.
Creates a circular air wall for thorough cleaning.

- (F) Forward** = Push the dust away from the technician
- (R) Reverse** = Pull dust towards the technician

FORWARD | BLOWING SPINNING BALL

SKU : F-SV

Forward Blowing Spinning Ball push dust by creating a round air circular wall.
10 holes. Perfect tool for flexible duct or dryer duct!

REVERSE | BLOWING SPINNING BALL

SKU : R-SV

Reverse Blowing Spinning Ball pull dust by creating a round air circular wall .
10 holes. Perfect tool for flexible duct or dryer duct!

***Preventive maintenance :** You must spray lubricant on the bearing after each use
to increase the life of the rotary nozzle.

FORWARD | NEXA BALL + 1 WHIP (4 holes)

SKU : AL-4-1FO

Nozzle + 1 whip for air duct cleaning.
Perfect to whip and push dust at the same time.

FORWARD | NEXA BALL (12 holes)

SKU : AL-12FO

Nozzle for air duct cleaning.
Perfect for flexible duct.

REVERSE | NEXA BALL (12 holes)

SKU : AL-12RE

Nozzle for air duct cleaning.
Perfect for flexible duct.

FORWARD | SPINNING BALL (Replacement)

SKU : FS

Nexa spinning ball X Hose barb 1/4

**Replacement spinning ball*

REVERSE | SPINNING BALL (Replacement)

SKU : RS

Nexa spinning ball X Hose barb 1/4

**Replacement spinning ball*

***Preventive maintenance :** You must spray lubricant on the bearing after each use
to increase the life of the rotary nozzle.

ALL THE AIR DUCT TOOLS YOU'LL NEED.

Better equipped you are. Better your work will be.

CHIP COLLECTOR

SKU : CHIPCOLLECTOR

Captures hot and messy metal chips when cutting holes.

**Drill and uni-bit not included.*

METAL SCREWS

Jar | SKU : SCREWS Box | SKU : SCREWSBOX

1/2 Hex Head Screws

1 jar = 1000 screws

1 box = 9000 screws

MAGNETIC HEX DRIVER

2 inches | SKU : MSHC-1 4 inches | SKU : MSHMLC-1
Box (36) | SKU : MSHC Box (36) | SKU : MSHMLC

Reversible & Cleanable

Quickly change between 1/4 inch and 5/16 inch. Dual-sided magnetic hex drivers.

GRILLMASK - HEAVY DUTY

SKUS : GRILLMASK8, GRILLMASK13

Grillmask 8" - Precut every 4"
Length : 200'

Grillmask 13" - Precut every 13"
Length : 200'

Idéal for Temporary Sealing applications

ALUMINIUM FOIL TAPE

SKU : FOIL-TAPE

3" X 150 feet strong aluminium foil tape for air ducts.

CUTSHEAR

SKU : TURBOSHEAR

The time-saving cutshear inserts directly into the chuck of a standard drill.

Cutting applications include both ferrous and non-ferrous sheet metals, metal roofing/building panels, vinyl, steel mesh, ductwork, even the thick metal of furnace jackets, equipment enclosures.

**Drill not included.*

PLASTIC PLUGS

SKUS : PP1 | PP1-3/8 | PP2

1" Plastic Plugs : 1000 Pcs/bag

1 3/8" Plastic Plugs : 500 Pcs/bag

2" Plastic Plugs : 500 Pcs/bag

METAL SHEET HOLE CUTTER

SKU : HCI

Cuts 2"-12" (51-305 mm) holes in metal sheet including up to 20 gauge galvanized steel. Combination English/Metric diameter gauge.

High-speed bearings assure perfect cutting balance and a long cutting life.

Fit standard electric drill as small as 1/4-inch.

CUTTER BIT REPLACEMENT

SKU : CB

Replacement cutter bit for Metal Sheet Hole Cutter (HCI)

1" 3/8 METAL STEP DRILL

SKU : STEPDRILL1-3/8

Perfect tool to make 1 3/8" hole access. Fit with PP1-3/8 (Plastic plug 1 3/8")

REPLACEMENT BLADES

SKU : TSIRB

Replacement blades kit for Turboshear.

EDGE SEALER

SKU : EDGESEALER

Edge Sealer is engineered to coat the cut ends of fiberglass duct liner, wrapped insulation, rigid fiberglass duct board and foam insulation.

DRYER COLLECTOR

SKU : DRYER-COLLECTOR

Dryer collector with bulk collection bag. Foam collector for dryer duct cleaning. (dryer duct cleaning tool)

NEXBRUSH™

NexBrush™ is the ideal tool for high-velocity ventilation ducts. Some contractors and work providers require the ducts to be cleaned with a brush. The NexBrush™ will provide a thorough cleaning due to brush friction which is activated by an air motor. The air motor was designed for LTE Canada by engineers to suit the needs of cleaning ventilation ducts. In the event of any damages, each part can be replaced quickly and easily.

The power of the motor will ensure the continuity of the work even in the event of high friction due to its powerful torque.

INCLUDES

- ✓ 25 ft cable
- ✓ Pneumatic rotating motor
- ✓ 3 brushes size (12", 24", 36")

SPEEDCLEAN

HVAC Maintenance and Coil Cleaning Tools

COILJET® MORE POWER, MORE PRESSURE !

HVAC COIL CLEANER SYSTEM

No Water? No Power? No Problem.

CoilJet is a portable HVAC coil cleaning system ideal for cleaning evaporator coils and condenser coils in locations where water and power may be inaccessible, such as rooftops and attics. CJ-125 is designed for portability by including separate water and chemical tanks and a long life rechargeable battery. Expertly clean condenser and evaporator coils no matter where the location may be.

- ✓ Clean HVAC condenser and evaporator coils where they are.
- ✓ Applies coil cleaner and then flush with fresh water.
- ✓ Carries all the water and coil cleaner you need to clean up to five, 5 Ton units using 125 psi pressure.

SKU : CJ-125

Dry steamer coil cleaner

SKU : SC-VSC-7000

Harness the power of steam!

Steam is an incredible, natural cleaning and sanitizing agent. It removes grease, oils, dirt and bacteria, all without one drop of a chemical. Dry steam takes it one step further. It's superheated water vapor that contains only 10% moisture or less at 235-degree temperature. This means that surfaces are cleaned, and sanitized with very little water residue remaining.

- ✓ Quickly clean and sanitize surfaces
- ✓ Removes oils, grease, and dirt
- ✓ Use on coils and other areas
- ✓ Uses no chemicals
- ✓ Includes complete accessory kit

Coiljet CJ-200e

SKU : CJ-200E

More Pressure. More Power. More Clean Coils in Less Time.

Meet the CoilJet-200E, the newest family member in the CoilJet line of portable coil cleaners.

CoilJet CJ-200E is equipped with everything you need to get your coil cleaning job done faster. Packed with features like the options of tanked water, or continuous water supply, 110V power integrated chemical tank and up to 220 PSI, this portable and powerful coil cleaning equipment can clean thicker, dirtier coils like never before!

Mini-Split Bib Kit

SKU : MSB-KIT SKU : MSB-KIT-XL

The Mini-Split Bib Kit is the fastest way to clean ductless mini-split coils, blower wheels and more. The patented technology keeps water away from walls and other surroundings and directs it into the 5-gallon bucket for disposal, so it's clean and safe all around.

Mini-Split Cleaning Kit

SKU : CJ-MSB-ACC-KIT (Accessory Kit)

Mini-Split Bib Accessory Kit completely covers every aspect of the mini-split cleaning experience. Kit includes a 24" wand with 90° spray head, a 12" flexible wand with 0° spray and a 25° fan-spray nozzle all designed for easier access and cleaning of the blower wheel and hard-to-reach dirt and debris.

CoilJet Flexible Wand 12"

SKU : 8945-0-DEG-FW12

0° Straight Spray

The CoilJet flexible wand 12" can be bent to your ultimate will! Shape it to any bend or curve to reach coils in even the tightest spots.

CoilShot® Spray Gun Assembly

SKU : SC-CS-WAND

3 ft. wand is specially designed to quickly connect to CoilShot cleaning tool and clean coils from inside to outside. The wand features a slim profile that fits between the grate so you don't have to remove the top fan and housing. Lets you clean from behind the coil, opposite the flow of air.

SpeedyFoam Coil Cleaner

SKU : CLEANER-IG

The smarter, safer & biodegradable alkaline foaming micro bubble coil cleaner. Removes grime, oil, grease and rust from condenser and evaporator coils, mechanical equipment and air filters. SpeedyFoam is safe for coated and uncoated coils.

BIB Cassette

SKU : SC-CB

Cleaning ductless ceiling cassettes is a daunting task, but we've just made it a whole lot easier. Our reusable ductless cassette bib kit installs in seconds and quickly creates a safe funnel where all your water and cleaner are safely deposited into a bucket. Keeps walls and floors safe from water and overspray.

CoilJet Flexible Wand 24"

SKU : 8945-FLEX-24

90° Angle Spray

The CoilJet flexible wand 24" can be bent to your ultimate will! Shape it to any bend or curve to reach coils in even the tightest spots.

CoilShot® 3ft. Coil Wand

SKU : SC-CS-WAND

3 ft. wand is specially designed to quickly connect to CoilShot cleaning tool and clean coils from inside to outside. The wand features a slim profile that fits between the grate so you don't have to remove the top fan and housing. Lets you clean from behind the coil, opposite the flow of air.

CoilShot® Tablets - Pack of 8

SKU : SC-CS-TABS

CoilShot Coil Cleaner Tablets. Replaces bulky heavy liquid coil cleaner.

The revolutionary CoilShot cleaning system is designed to offer fast and easy cleaning of residential and light commercial single-pass HVAC coils without the strain and bulkiness of using liquid coil cleaners.

Mini-Split Bib Bag

SKU : MSB-01 SKU : BXL-001

Mini-Split Bib Kit Replacement Bib

The Mini-Split Bib Kit replacement bib is made from high grade plastic.

MSB-01 = Application Range: Up to 36" wide
BXL-001 = Application Range: 36" to 60" wide

NSV-5000

5000 CFM FREE AIR
Industrial quality parts.

The ultimate negative air machine on the market. Perfect to make negative pression in air exchanger duct and small ductwork system. The handlebar can be remove for easy handling.

Fully made in aluminum with stainless steel accessories for lightweight and heavy-duty use.

SECTION 1 (106 Lbs)
3 HP 3-Phase 220V Motor

SECTION 2 (39 Lbs)
Filter pod certified H.E.P.A

INCLUDES
CLEAR HOSE
SKU : HOSE10
Clair hose 10" X 23' | Heavy Duty
Very flexible - Easy to Store - Excellent for Portable Electric

INCLUDES
FLANGE CONNECTOR
SKU : FLANGE8, FLANGE10, FLANGE12
8", 10" or 12" | Heavy Duty 1/16 steel
No more deformed connector with this high-quality flange connector! Powdercoat for protection.

NSV-2500

2500 CFM FREE AIR
Industrial quality parts.

The ultimate negative air machine on the market. Perfect to make negative pression in air exchanger duct and small ductwork system. The handlebar can be remove for easy handling.

Fully made in aluminum with stainless steel accessories for lightweight and heavy-duty use.

AIRBOTOne™

*Price available online

AIRBOTOne™ INCLUDES

- ✓ Hard case
- ✓ Cleaning kits (arm and whips)
- ✓ Controls and a laptop
- ✓ 100 ft FusionFlex™ cable

min. duct size : 7"x7"

QUICK CONNECT
CONNECTIONS

Inspection | Full HD

Easily see what you normally can't see with the Airbot One high resolution camera (1080P). The inspection tool that fit your needs.

Cleaning

Cleaning large organisations ducts will be faster, better and more professional.

Coating (optional)

Airbot One is the perfect tool for coating, protecting and painting inside ducts.

THE ULTIMATE ROBOT

min. duct size : 7"x7"

The Airbot One is the ultimate robot that specialists in air duct cleaning need. With its belt system propelled by 2 high performance motors, it is able to move quickly and efficiently in ducts without any worries. Its design allows it to access all types of ducts of 7 "and more in order to inspect, clean and even apply sealants.

Carrying case

NANUK
PROFESSIONAL PROTECTIVE CASES

FUSIONFLEX™

The FusionFlex™ technology created by LTE Canada allows the robot to be used up to 100 feet away. This technology consists of a cable for the air supply as well as the connection of the various electric cables ensuring supply and control of the robot. With quick connectors, this innovation will ensure that cables do not mix and clean easily.

Replacement cable | 100 feet
AIRBOT-CABLE

250 Psi Air Hose
Quick connect wire cable

From the robot to the carrying case, we are committed to ensuring quality and durability. Our Canadian Nanuk™ hard case is waterproof, shockproof and dustproof. It is completely legal to carry your hard case like a " Carry-on " on the plane. The size and security of the hard case are permissible at an airport for your outside contracts.

L.T.E Canada is committed to safety, that's the reason why we have installed a key switch and a safe compressed air's connection inside the hard case. A complete control panel allows easy control of the robot.

*Each hard case holds a serial number.

CONTROL PANEL

The AirBot One comes with a complete and easy-to-use control panel integrated in a transport case for the robot itself. That way you can control direction, motor speed, lights, dual camera set, coating kit speed and more. It's ignition switch allows you to leave the workplace and make sure the robot is safely shut off. The control case is built to view and record video either on a laptop or on a portable screen.

CAMERA SOFTWARE

The AirBot One is built to be used with a provided software or any recording software. We provide with each robot a preset laptop with NCH Debut software with a full-time licence. This software allows you to view, record and even take pictures including timestamp and add text through your keyboard.

EXTENSION ARM

A 12 inches extension for the Airbot One's arm. Perfect for cleaning large industrial ducts and reach high places.

SKU : EXT-ARM

BRUSH-KIT™

Our brush kit is the most resistant brush system on the market. You can count on the reliability of this system thanks to its powerful air motor and high quality brushes. The height is easy to adjust thanks to its Canadian made articulated arms. All the equipment has been designed to meet the specific needs of cleaning ventilation ducts.

INCLUDES

- ✓ Adjustable arm and mount
- ✓ Pneumatic rotating motor
- ✓ 3 brushes size (12", 24", 36")

12" REPLACEMENT BRUSH

BRUSH12

24" REPLACEMENT BRUSH

COATING TOOLS

PROTECTIVE COATING APPLICATION

SPRAY-KIT™

360 DEGREES

A perfect option for extra income. A kit that will save you an incredible amount of time with its rotating nozzle of 360 degrees. A high-quality motor allows the rotation of the nozzle while the robot is in motion. Quality and speed of operation are our primary mission.

The advantage of the SPRAY-KIT is the ease of use as well as the cleaning at the end of each job. The system is in one piece only.
