

Multi-Zorb®

Multi-Zorb® products deliver high performance spill clean-up and absorbency to fully restore surfaces after any liquid spill, leak or release. Our proprietary solutions help professionals reduce the labour and time associated with tough liquid spill clean-up while protecting users and the environment with safe, non-leaching formulations.

Multi-Zorb® Universal Granular Spill Absorbent

Description

- Superior absorption and encapsulation of liquid spills, leaks and releases
- Dense, penetrative absorbent fully restores surfaces to dry, safe state
