

WALK-BEHIND SCRUBBERS

Walk, Guide, Clean

OUR WALK-BEHIND FLOOR SCRUBBERS ARE IDEAL FOR CLEANING MEDIUM TO LARGE AREAS.

They are easy to use, deliver fast, consistent cleaning and can work continuously for several hours. You get clean, dry and safe floors in minutes. These units are a popular choice for healthcare, hospitality, all levels of education, and government sectors.

Our battery units are powered with maintenance-free gel batteries, giving them prolonged battery life and onboard charging is standard so you can charge them anywhere. Their fully adjustable flow rate ensures the correct amount of water is available at all times. The control panel provides the operator with an hour meter, and battery status gauge. All units are equipped with tear-away squeegees and quick-release Serilor® blades for easy cleaning and excellent water recovery on all surfaces.
