

## ZipWall® Anti Skid Plates Part# NSP2

Each NSP2 2-Pack contains two Non-Skid Plates. The top section of all ZipWall Anti Skid Plates NSP2 poles is the Non-Skid Plate. It has a non-marking non-skid pad that contacts the ceiling. It grabs like mad, yet it won't leave a mark even on the cleanest painted ceilings. The NSP2 Non-Skid Plate can be cleaned with soap and water and a scrubbing pad or simply placed in the dish washer. Each NSP2 Anti Skid Plates package contains 2 Non-Skid Plates.
