

OmniPro | Smoke & More

This industrial strength odor neutralizer goes to the source of the odor and immediately destroys it. Combined with odor encapsulating and neutralizing chemistry, it contains a proprietary solution that is available in original or fresh lemon scent that is designed to specifically eliminate odors created by protein, plastic and oil fires. Smoke & More is also effective against cigarette smoke, skunk, urine, vomit and most synthetic and organic odors.

- ▶ **Original fragrance effectively neutralizes odors from protein, plastics, and oil fires**
- ▶ **Lemon formula meets our Green Balance manufacturing standards**
- ▶ **Includes Hydrocide which helps eliminate cigarette smoke odors, skunk, urine, vomit, and most organic or synthetic odors**
- ▶ **Available in Gallons and 4 x 1 gallon cases**
- ▶ **Dilution Ratio: 1-4 oz./gal.**

Air Deodorization

Pre-test for safety of surface before fogging or spraying directly onto it. Cover or mask off all surfaces not compatible with the solvents in the solution. Mix 1 part solution with up to 4 parts water. Spray mixed solution onto treatment area. This solution may also be fogged using a U.L.V. wet fogger. Use the finest setting possible and repeat as necessary. Brushing solution in with natural bristle brush can assist penetration of soft surfaces. Wear a NIOSH approved N95 organic vapor respirator, gloves and goggles when fogging the treatment area. For fogging, area must be vacated of pets and unprotected people for 30 minutes after treatment.

Cleaning Additive to Remove Odors

For wall cleaning solution, use 3 ounces per diluted gallon. For water-based paint, use 4 ounces per gallon. For carpet and upholstery detergents, use 1 ounce per gallon to cut soot and deodorize wet cleanable textiles.
