Liquid Slurry

This extremely potent solution uses the strength of alkaline builders and powerful surfactants to quickly emulsify suspended greasy soils, grime and prespray residues leaving fibers bright, soft and clean! Safe for use on fifth generation nylon carpets. Now formulated with new-technology polymers that surround remaining microscopic soils that can lead to wicking and browning, our Liquid Slurry® product captures soils during the drying process for easy removal and a superior long-lasting clean! Ideal for truckmount use and portables, dissolves quickly and contains corrosion inhibitors to protect your equipment.

SPECIFICATIONS

- RTU pH: 9.0–9.5
- **Coverage:** 1 gal. makes up to 641 gals. of RTU solution for approximately 400 sq. ft. per diluted gal.
- **Dilution portables:** 1 to 2 oz. per 5 gals. of water
- **Dilution truckmounts:** 16 oz. per 5 gals. of water

SIZES ▪ OPTIONS

- 8.695-180.0: Four 1 gal. / 3.8 L bottles
 8.695-181.0: One 5 gal. / 18.9 L pail
 8.695-182.0: One 55 gal. / 208 L drum
