Enviro Care[®] Liqui Bac

Drain & Trap Treatment and Deodorizer

Enviro Care® Liqui Bac

Where to Use

Triple acting enzyme-producing living liquid bacteria with instant odor control. ENVIRO CARE LIQUI BAC is a living, non-toxic bacterial treatment which breaks down and liquefies solids such as fats, proteins, carbohydrates and grease. ENVIRO CARE LIQUI BAC contains both aerobic and anaerobic bacteria and immediately neutralizes all malodors. ENVIRO CARE LIQUI BAC remain 100% active until their work is done, at which time they begin rebuilding their colonies to replace fatalities and the cycle is repeated resulting in a successful ongoing drain or grease trap maintenance program. Recommended for use in hospitals, nursing homes, schools, prisons, apartments, funeral homes, kennels, clinics, industries, recreational vehicles, marinas, septic tanks, sump-pumps, wet wells, porta-toilets for eliminating odors from carpets, animal and pet odors, grease traps, drain line maintenance, etc.

Benefits

- Nontoxic (aquatic & human).
- Phosphate Free.
- Biodegradable.*
- Non-Corrosive.
- Contains No Hazardous Ingredients.**
- No Glycol Ethers.
- Non-Alkaline.
- Made Using renewable Resources.
- Contains both aerobic and anaerobic bacteria.

* As defined in 40CFR796.3200 EPA/TSCA

** As defined in OSHA 29CFR 1910.1200

Directions for Use

Drain & Trap Treatment: For treating sluggish drains or grease traps, begin with a pint or quart and allow to stand for 30 minutes. Thereafter, use 1/2 cup (4 oz.) ENVIRO CARE LIQUI BAC in every drain once each week for routine maintenance. The amount may vary, depending on amount of grease, fat or oil that needs to be digested within the drain.

Carpet Deodorizing and Digesting Organic Waste: Spot clean and vacuum carpet thoroughly. Mix 1/2 to 1 pint per gallon of water/240-475 ml per litre of water. Apply with pump or hand sprayer. Keep moist at least 30 minutes. Repeat if odor persists. Use in conjunction with carpet cleaning equipment. Use with all types of carpet cleaning equipment and methods, including tank, brush, bonnet, and extraction cleaning.

Carper Spotter: Use 12 oz. per gallon of water/360 ml per 3.8 litres of water, spray or pour on organic stain, let stand for 10-30 minutes. Damp clean or extract area.

Restroom Floor Cleaning: Dilute at 1-4 oz. per gallon of water/30-120 ml per 3.8 litres of water to clean restroom floors.

Restoration: Biologically based odor treatment engineered specifically for many of restoration industries; toughest challenges including: protein

fires, post-mortems and trauma, skunk, and urine. It digests odors and moderate soil loads, reducing them to water and carbon dioxide using incredibly concentrated levels of spore strains that recognize and digest the organic odors at their source.

Properties	
Color	Opaque White Liquid
Fragrance	Floral
Viscosity	Water, Thin
VOC's (% by weight) EPA Method 24	0.02-0.07
pH	7.9
Readily Biodegradable	Yes
Phosphate Free	Yes

Available Package Sizes	Package Code	
55 gallon drum	#11767957 	
5 gallon pail	#11767945 	
4x1 gallon case	#11767927 	
12x1 quart case	#11767915 	
275 gallon tote	#11929163 	Super Concentrate
208.2 litre drum	#11819959 	
18.9 litre pail	#11819948 	
2x9.5 litre case	#11819940 	
4x3.8 litre case	#11819936 	
12x946 ml case	#11819989
