

BULK SEPARATION COLLECTION BAG

Ruwac

- ▶ ***Disposable filter bag for bulk collection separator***
- ▶ ***Semi-permeability traps bulk fibrous material***
- ▶ ***The exclusive Ruwac design incorporates a perforated drum liner that allows the material to fill the bag without loss of suction***
- ▶ ***Greatly increases collection capacity by capturing larger materials such as blown in insulation, cellulose and other fibrous materials***
- ▶ ***Disposable bag means no dumping or exposure to harmful materials***
