

BOOM HEAVY DUTY DEGREASER -Lemon

TECHNICAL DATA SHEET

LEMON - CODE : DRTL

This product is a highly effective heavy-duty cleaner degreaser for hard, non-porous surfaces. It easily removes dirt, soap scum, grease, grime, and tough stains without scratching your surfaces.

In addition, it deodorizes those areas which generally are hard to keep smelling fresh such as garbage storage areas, basements, bathrooms and leaves a clean, fresh scent.

For use in institutional facilities, schools, transport, public toilets, gyms, bars, restaurants, hotels, beauty salons, factories. Ideal for use on walls, floors, counters, cabinets, appliances, tables, chairs, toilets, grocery carts, cash register areas, doorknobs, gym equipment, pets' equipment, BBQs, outdoor furniture, tools, automotive. Biodegradable formulation (in accordance with OECD 301). No bleach. No phosphates. No ammonia. Not tested on animals.

DIRECTIONS FOR USE: For best results, spray cleaner onto soiled surfaces and wipe away using a clean cloth. For hard to remove stains allow for longer contact time before wiping.

NOTE: Test on an inconspicuous area prior to use. The amount of product used should not be in excess of that required to achieve its intended technical effect. For surfaces that may come into direct contact with food, children at the mouthing stage of development, and pets, rinsing with potable water is recommended.

STORAGE: Keep in a tightly sealed container in a well-ventilated room. Do not store on surfaces that may come into contact products. KEEP FROM FREEZING

PHYSICAL PROPERTIES	
Boiling Point:	≥100°C
Specific Gravity (H2O =1):	1.0 to 20°C
% Volatile (w/w):	≤1%
Solubility in Water:	Complete
Alcalinity:	approx. 4.0 - 5.5
Physical State:	Liquid
Viscosity:	< 100 cps to 25°C
Flash point :	≥100°C
Appearance and Odour:	Yellow liquid

GHS Class: Moderate eye damage/eye irritation — category 2
Suitable for Food Plant Use in Canada

Toxicity: Non-toxic to humans and animals (LD50 > 10,000 mg/KG, LC50 > 20 mg/L).

Non-Toxic	~	No bleach	>	Our labels are printed using vegetable inks approved by the FDA	~
Biodegradable OECD 301	>	No APE's, NPE's	>	All of our containers are fully recyclable	>
Non-Corrosive to eyes or skin	>	No Carcinogens	>	Our 4L bottles are made with at least 25% post-consumer waste	~
Inorganic phosphate-free	>	Not Regulated by Transportation of		Our boxes contain a minimum of 50% recycled fibers	~
No ammonia	~	Dangerous Goods Regulation (TDG)		Reduce. Re-use. Recycle.	~
