

X-GUARD

X-GUARD SURFACE PROTECTION LINER

- Protecting most types of hard surface flooring such as hardwoods, laminate flooring, ceramic and marble tiles
- Two-ply, non-slip self adhesive floor protection made of a soft and cushiony durable non-woven synthetic fiber fabric that leaves no residue
- Top side is coated with plastic to prevent tearing and liquids from soaking through
- No taping required. Simply roll it out and it stays in place
- Re-usable, strong and tear resistant
- Also for use on counter tops, walls and other hard surfaces

ITEM NO.	DESCRIPTION
