Next-generation comfort, breathability and simplicity.

Discover the 3M™ Secure Click™ Half Facepiece
Reusable Respirator HF-800 Series

Discover the 3M™ Secure Click™ Half Facepiece Reusable Respirator

Designed with intuitive features, the 3M™ Secure Click™ Half Facepiece Reusable Respirator HF-800 Series helps protect workers from particulates and a wide variety of gases and vapours when used with approved 3M™ Secure Click™ Filters and Cartridges.

Swept back filter & cartridge design

For compatibility with certain welding and grinding shields.

Feel it.

Experience the greater breathability and comfort provided by the world's first quad-flow gas and vapour filter/combination filter system.

Hear it.

3M™ Secure Click™ connection helps provide confidence that filters/cartridges are installed properly. Simply align the connections and push into place.

Check it.

Help increase worker confidence that the respirator is being worn properly with the easy, one-touch user seal check.

Say it.

Speaking diaphragm – designed to help provide easier communication while working.
