

## First Aid Kit Deluxe 1 - 5 Person Small Part # WCBA

Pursuant to Section 9; for workplaces with 1 - 5 workers (at any one time) Regulation first aid kits meet regulations required by each jurisdiction; regulations change on a continuing basis. For the most current regulations, refer to Ontario's Ministry of Labour Health and Safety Department.

Requirements vary and are dependent on a number of factors including: maximum number of employees at the work site (or per shift), location of the place of employment/industry, type of industry and potential hazards, proximity or travel time to a medical facility.

Unit boxes provide quick identification of first aid kit contents and maintain a neater, more attractive looking kit. Items required but not included: accident record book (item 14237 or 14958, inspection cards (item 14460) With standard bilingual "First Aid Kit" image; also available with custom image (minimum quantities required
