X-GUARD BAG-SLEEVE

ONLY \$22.95

The X-Guard Bag Sleeve is a reusable professional grade product that is inserted into any size garbage bag and then expands to open and protect the bag while it is being used.

An indispensable addition to any restoration, abatement or construction crew the X-Guard Bag Sleeve is a welcome "Helping Hand."

The X-Guard Bag Sleeve differentiates itself from the competition by satisfying several needs at the same time and its ability to maximize the capacity of any garbage bag while remaining completely open.

Additional benefits include:

- Garbage bag protection strength and durability
- Portability, light and compact for storage
- Easy to remove, clean and reuse
- Height 34" Width 70" Thickness .04"
- High Impact Polystyrene (HIPS)
- Hook and Loop
- Industrial Adhesive
